1. What is your policy on releasing class ranks for your graduates? N = 59

Percent
23.7 It is released for all students.
47.5 It is released upon request.
5.1 It is not released.
23.7 Other (please explain):

1 The top ten are released. The remaining are released upon request
2 in percentages only
8 Top 10 announced and others upon request
11 Each student receives an official slip with their GPA listed. We do formal GPA's in the second semester of the senior year.
15 Released as seniors only
25 It is released to colleges on final transcript and to students upon request
27 Valedictorian and Salutatorian are not released until a certain date close to graduation. Only to those students who need it for scholarship purposes.
30 We do not rank
33 released to students upon request
34 Realeased to the student and is on all transcripts
35 The official senior class rank is not determined until after May grades have been computed. Therefore, the val and sal positions are subject to change until the spring grades are in the computer.
37 Only released at the request of the student or parent/guardian.
40 The rank is only found on the transcript and released to those parties selected by the student
43 printed on all transcripts
53 Do Not Rank
55 Ranks are released for individual students as requested by the student/parent. This includes applications and scholarship information where student signatures are required for release.

2. What is your grading scale? N = 60

Percent
63.3 0 to 4.0
21.7 0 to 100
15.0 Other (please explain):

6 We use weighted grades in the gpa for class rank, so a student may have a higher gpa than 4.0. For example, our co-valedictorians this year have a 4.7 gpa
9 4.0 for regular, with 5.0 for AP. no extra weight for advanced or honors.
34 BOTH
42 0 to 5 some advanced or Ap courses are weighted
45 A=90-100, B=80-89, C=70-79, D=60-69, E=below 60. Depending upon the classes, the weighting is either on a 4.0, 5.0 or 6.0 basis
46 both 4.0 & 100; we look highest on 4.0 scale; if there is a tie we go to the 100 scale
54 We provide 4.0 and 100
56 STI calculates both- 0-100 & 4.0
57 We use both scales for different purposes. Our students are ranked on the 0 to 100 scale.
3. Is the GPA you report for your graduates a... N = 59

Percent
0.0  Core GPA
66.1  Cumulative weighted (AP, IB, Honors Classes)
18.6  Cumulative unweighted
15.3  Other (please explain):

2  excludes P.E.
3  Core GPA with Advanced Diploma Students ranked before general diploma students
21  Phy. Edu, Band, Aide, etc. are not included in the GPA
25  Academic Weighted AP, Advanced
32  All grades are figured into the avg. unless specified otherwise
40  We report both a cumulative weighted and unweighted gpa on the transcript
41  AP and IB weighted
48  both cumulative weighted and unweighted
50  Courses such as physical education, band, choir, etc. are not included in the GPA.
54  We provide weighted and unweighted
56  Honor graduates are calculated weighted classes only. Overall GPA is unweighted.
